DRY PASTELS Materials List

Drawing Board 16"x 24" is large enough (you will need clips or thumbtacks or tape to hold paper/pad in place)

Drawing pad no smaller than 14" x 17" (medium finishStrathmore and Grumbacher, for example, make good drawing pads)

4 to 6 single sheets of pastel paper, 4 neutral colors and 2 bright colors (Canson is a good brand)

A small package or box of medium soft/ medium thick vine charcoal (a bit thinner than a pencil is about right)

2 generic brand soft drawing pencils (most stores have their own brand ie. Ebony Jet Black)

*A box of Creta Color grey contes, or a few single sticks of various grays (Nupastels is a good brand for singles)

*A few earth-colored contes (a red, a brown, a black)

A box of 24 count Nupastels

A bottle of NON-TOXIC DEGAS spray fixative

**Contes are sticks of naturally occurring colored clays and mix well with pastels
